THE FUTURE OF  
MOBILITY

For Western Balkan

# South East Europe Mobility 2019

## *Small but efficient*

**SEE Mobility** is the only international fair on the Western Balkans for transport technologies and services, to be held biannually.

Our fair is a small one but as such it offers a unique opportunity for concrete expansion of business activities of your company and the possibility to present your products, services and new technical solutions to a very dynamic market that encompasses 7 countries with over 30 million inhabitants, that await significant revitalization of railway and road infrastructure in the upcoming ten years, the investments in which are predicted to be over 15 billion EUR worth.
